On ~~the~~ Sunday my classmates have to meet near with
the Khabarovsk's Space Museum at 11.00 a.m.

They have to take a pen and a notebook, because they'll
have to ³⁰ write different facts and names of stars, planets. Also they'
ll have to take a camera, to do some photos. And also
they'll have to take some food, because an excursion ⁶⁰ 'll be
enough long - 4 hours!

Their parents'll have to pick them up from museum
at 3 p.m., because excursion'll be 4 hours.

I ⁸⁰ think, that my classmates'll like this excursion, because
a space interesting for many of they.

And also I think, that they'll ¹⁰⁰ make good projects -
they'll draw nice pictures and will write interesting texts.
