Part 4 Writing

A lot of elderly people live alone and need help, because they can't do lots of things as the younger generation can do. Elderly people should be looked of by grown people or teenagers. As we know, elderly people often unhealthy and feel ~~my~~ themselves bad, that's why they could fall or drop something. ~~And~~ So they need someone who will help them in these situations. It's great, what there is a new technology that analyses household sounds to ensure their safety. But it must be ~~ate~~ more cheaper and available, so elderly people will able to buy this monitoring system.

But now you can help them with simple things and ~~make~~ ^{improve} their life.
